

Futhermore CoolQSL offers more than 2000 high quality promotional products. They are tailormade to offer imprints you need. We use screen printing technique for gadget printing. Screen printing uses stencil painting to create single or multi-color printing. This method can be used on any material.

We offer: T-shirts, hats, umbrellas, pens, leashes, bags, pendants, wallets, cups, pendrive, stationery, stamps and many more. For more information please visit our website at: <http://www.aligart.pl>
